The King Library is a collaboration between the City of San José and San José State University: it is the main library of both San José State University and the San José Public Library system. In 2004, the library's diary and Thompson Gale honored it as a library of the year for collaboration between two functions and building collaborations. On the tenth anniversary of 2013, he was still the largest university and municipal library in the United States. The library building can accommodate over 2,000 visitors. Building a Ford GoBike Bay Area Bike Share outside the library of Santa Clara St. View atrium from the 6th floor. The lower level (below 1) provides public computers, magazines and government documents. Reference collections shall be located in the 20th and 2th The size of the city library system is 3. There, non-fiction is indexed through The Dewey Decimal Classification and fiction is sorted in alphabetical order by the author's last name. Over the 2015 period, the The library (also known as the Research Collection) has shelved floors 6-8 and is indexed through the Library of Congress' classification system. There are some duplicate volumes in both systems. The centre of the building is known as the Koret I atrium. On floor 1, the atrium, the large LED screen shows real-time several item loans (books and other media such as CDs and DVDs) that the entire City Library System has made since 2000. The lower, second and third floors are where most public computers are located. The fourth floor is dedicated to students on their laptops and the lower floors offer large round tables for people to meet. All floors, except floor 1, offer individual alcoholics to students or residents who are researching for their studies. Floors 6 and 8 have quiet study floors and floor 7 is a quiet study floor. Public art in the library is mei chin's artwork; series title is Recolecciones (Spanish memories). [3] [4] [5] MLK Library is a library of San Jose State University. Special collections The library's special collections include all 5. On the third floor is Also Dr. Martin Luther King Jr. Data processing and printing services Library offers public computers and an online booking system to reserve time for them. Students can also book study rooms through a similar online system. Computers are configured with traditional Chinese input methods and input methods in some European languages. Some public computers are configured to access the library card directory and other services only. [6] Koret Atriumis 1. They are configured so that usage is limited to 15 minutes at a time. Stacks on the 8th floor and a study room. At the lower level, there are about 20 public computers and floors 2 and 3 about 50 public computers. To log on to these computers, you need a map number and PIN from the San Jose City Library. Access time is nominally limited to 2 hours per day per library card, but at the end of the session, when less than 90% of public computers are occupied, the user is given another hour of the session; such extensions may continue until the library is open. Sign-in sessions for public computer users are automatically terminated when the library closes to the public. Wi-Fi is available on all floors. you also need the city library card number and PIN to use this service. [7] The public, unencrypted SSID, King_Library_WIFI. Only cash outlet stations and printers are available from 1 January 2017. Some print stations can use print cards. [8] Cash-only copiers are available on most floors. Student life library is a great nexus point in student life at SJSU. Students often arrive with laptops and participate in study groups in both tables and study rooms. After the library is closed to the public, it will remain open to extended lessons (24 hours) for SJSU students, staff and faculty and students from other approved local agencies.
